

## Sathya Sai Centre of Leicester Sathya Sai International Organisation UK

### Announcements & News for September 2020

"When he was asked, in what form the next advent would take place, Shirdi Baba told Abdul Baba alone: "I will give darshan in the name of Sathya for upholding Truth." That is the present advent. The two bodies are different, but the Divinity is one. The first advent was for revealing Divinity. The second advent is to awaken the Divinity (in human beings). The next advent is for propagating Divinity. The three Sais are Shirdi Sai, Sathya Sai and Prema Sai." *Sathya Sai Baba*

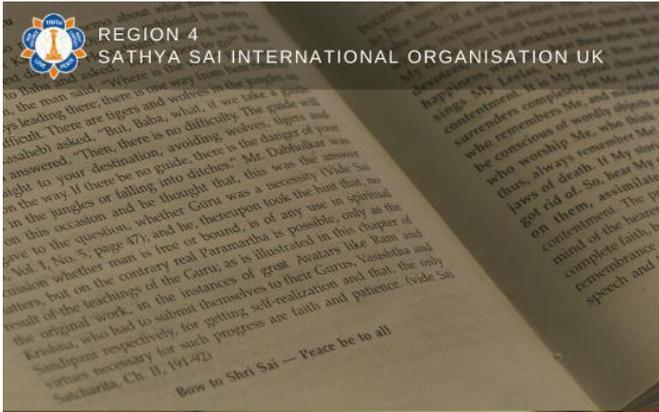

**Jai Sai Ram** I hope you are keeping well and enjoying the lovely weather we are experiencing. I am sure you are all now coming to terms with the "new normal" and sadly it seems likely that we as a centre will need to continue conducting our activities virtually for some time to come. But with this comes new opportunities - new ways of us connecting both with each other and also with our dear Swami.

We hope you will join us for a very special 7 day reading of the life story and teachings of Shirdi Sai Baba starting this week (more details below) and our other national, regional and centre activities as we announce them over WhatsApp and other means.

Please do contact us through the centre email at the bottom of this email if you have any suggestions, questions or concerns and we will do our best to answer them. Until next month we hope you have a lovely September!

### SSE Classes

We are really pleased to announce that SSE classes have resumed for this academic year and they are being conducted online via Zoom. The teachers and students are really enjoying the classes online and if you know of any children who you think would enjoy attending these classes then please do email: [leicestersse@gmail.com](mailto:leicestersse@gmail.com)

With limited extra-curricular activities available for children, SSE classes are a wonderful way for them to spend their time on a Sunday morning - so please do tell parents in your

communities about this wonderful opportunity.
