## **January 2021 News & Announcements**

"People are afraid what would happen this year, and whether it would be a better year than the last. It is not the particular year that matters. Cultivate good thoughts, speak good words and do good deeds with the broad view that everyone in the world should be happy. Give up your evil thoughts and evil qualities as they are the cause for all sufferings in the world. Whatever work you do, keeping God as your guide and saviour, will surely yield success. God is your only true friend. He is always with you, in you and beside you. You must wish for everyone to be happy. Everyone must fill their hearts with pure love. Then the country and the world will prosper and everyone will be happy!" **Sri Sathya Sai Baba**

**Jai Sai Ram**, we hope that you and your family are keeping well. We start the New Year with fresh hope that 2021 will bring more positivity and hope. It is customary at this time of the year for us to thank office bearers who have completed their terms and welcome in new office bearers to serve in Swami's Organisation. You will see below not only our new centre coordinators but also a list of the national coordinators. We know that you will all continue to support these people in their roles and we would welcome you to join us for our National Conference, not only to celebrate the great work being undertaken across the nation but also to find out more about our future plans.

As always, please do contact us through the centre email at the bottom of this newsletter if you have any suggestions, questions or concerns and we will do our best to answer them.

### **Message from Sanjay Samani (departing Centre President)**

My most humble pranams at the Lotus feet of my beloved Bhagawan Sri Sathya Sai Baba. Dear Devotees Jai Sai Ram!

As my four years as centre president come to an end, I would like to thank all the coordinators and devotees who have supported me and the centre during my time. It genuinely has been a pleasure to serve as Centre President and I have learnt a great deal. But most of all I would like to thank Swami for giving me this opportunity. To be an office bearer in His organisation is a privilege and an OPPORTUNITY not to be missed and I would strongly recommend it to everyone.

Finally I know I am handing over to a great new President - Vinodbhai who is well respected and known to all. I pray that Swami gives him, all the coordinators and devotees the strength to take Leicester Centre to new heights.

Jai Sai Ram

Sanjay
